

City of Dublin Utility Encroachment Permit Instructions

Print form and fill out requested permit information. Enclose two (2) copies of permit form, and attach two (2) copies of project location drawing and proposed utility site drawing that contain the same required information as a Georgia DOT Utility Encroachment Permit.

Fax (478-277-5099) or Mail to City of Dublin, Engineering Department, P.O. Box 690 Dublin Georgia 31040. Permit will be reviewed and if approved, one (1) copy will be mailed to Applicant within 5 working days. Permit shall be good for six (6) months. If required: changes, modifications, or alterations to utility installation will be shown in red on returned drawing. Questions should be directed to Engineering Department (Royce J. Hall at 478-277-5036).

Or for faster service, permit can be hand delivered to Engineering Department at City Hall.
